Description :

PDF-a1557 | Twenty years after the end of apartheid, a new generation is building a multiracial democracy in South Africa but remains mired in economic inequality and political conflict. The death of Nelson Mandela in 2013 arrived just short of the twentieth anniversary of South Africa's first free election, reminding the world of the promise he represented as the nation's first Black president. Despi... *After Freedom: The Rise of the Post-Apartheid Generation in Democratic South Africa*
