Description :

PDF-0b72f | The American women's movement was one of the most influential social movements of the twentieth century. Beginning with small numbers, the women's movement eventually involved tens of thousands of women and men. Longstanding ideas and habits came under scrutiny as activists questioned and changed the nation's basic institutions, including all branches of government, the workplace, and the fa... *The American Women's Movement, 1945-2000: A Brief History with Documents (The Bedford Series in History and Culture)*
