Description :

PDF-42c8b | The first popular history of the former American slaves who founded, ruled, and lost Africa's first republic. In 1820, a group of about eighty African Americans reversed the course of history and sailed back to Africa, to a place they would name after liberty itself. They went under the banner of the American Colonization Society, a white philanthropic organization with a dual agenda: to rid America... *Another America: The Story of Liberia and the Former Slaves Who Ruled It*
