Description :

PDF-1919a | The untold story of the historic voyage to the moon that closed out one of our darkest years with a nearly unimaginable triumph. In August 1968, NASA made a bold decision: in just sixteen weeks, the United States would launch humankind's first flight to the moon. Only the year before, three astronauts had burned to death in their spacecraft, and since then the Apollo program had suffered one setback after another. *Apollo 8: The Thrilling Story of the First Mission to the Moon*
