Description :

PDF-19b46 | Birth of a White Nation is a fascinating new book on race in America that begins with an exploration of the moment in time when "white people," as a separate and distinct group of humanity, were invented through legislation and the enactment of laws. The book provides a thorough examination of the underlying reasons as well as the ways in which "white people" were created. It also explains how the... *Birth of a White Nation: The Invention of White People and Its Relevance Today*
