Description :

PDF-665fa | The handloom--often no more than a bundle of sticks and a few lengths of cordage--has been known to almost all cultures for thousands of years. Eric Brody places the wide variety of handlooms in historical context. What influenced their development? How did they travel from one geographic area to another? Were they invented independently by different cultures? How have modern cultures improved on... *The Book of Looms: A History of the Handloom from Ancient Times to the Present*
