Description :

PDF-dbce3 | The Cave Painters is a vivid introduction to the spectacular cave paintings of France and Spain—the individuals who rediscovered them, theories about their origins, their splendor and mystery. Gregory Curtis makes us see the astonishing sophistication and power of the paintings and tells us what is known about their creators, the Cro-Magnon people of some 40,000 years ago. He takes us through v... *The Cave Painters: Probing the Mysteries of the World's First Artists*
