Description :

PDF-7a657 | Many thousands of years ago, a group of extraterrestrials from another planet guided the evolution of life on Earth—determining the existence and nature of humankind as we know it today. How did the master builders from the stars construct the miracle called man? Is the DNA that is at the core of all life in the universe a "cosmic code" that links Earth to heaven and man to God? In this sixth vol... *cosmic code: Book VI of the Earth Chronicles*
