Description :

PDF-2441a | In January 2013, France intervened in its former African colony, Mali, to stop an Al Qa'ida advance on the capital. French special forces, warplanes, and army units struck with rapid and unexpected force. Their intervention quickly repelled the jihadist advance and soon the terrorists had been chased from their safe haven in Mali's desolate North - an impressive accomplishment. Although there have... *The French War on Al Qa'ida in Africa*
