Description :

PDF-0f7d0 | In this account of the Algerian War's effect on French political structures and notions of national identity, Todd Shepard asserts that the separation of Algeria from France was truly a revolutionary event with lasting consequences for French social and political life. For more than a century, Algeria had been legally and administratively part of France; after the bloody war that concluded in 1962... *The Invention of Decolonization: The Algerian War and the Remaking of France*
