Description :

PDF-3ccdd | Sometime around 1500 A.D., an African farmer planted a maize seed imported from the New World. That act set in motion the remarkable saga of one of the world's most influential crops--one that would transform the future of Africa and of the Atlantic world. Africa's experience with maize is distinctive but also instructive from a global perspective: experts predict that by 2020 maize will become th... *Maize and Grace: Africa's Encounter with a New World Crop, 1500-2000*
