Description :

PDF-00086 | To look upon a mummy is to come face to face with our past. This book presents the story of mummification as a practice worldwide. Mummies have been found on every continent, some deliberately preserved by use of a variety of complex techniques (as with the ancient Egyptians), others accidentally by dry baking heat, intense cold and ice, or by tanning in peat bogs. By examining these preserved hum... *Mummies, Disease and Ancient Cultures*
