Description :

PDF-906c0 | For thousands of years, humanity has been involved in a symbiotic relationship with plants. Not only have plants supplied mankind with a never-ending food source, but have also served us in another way. This book uncovers the natural link between man, consciousness, and God. This discovery may at first seem abstract, wishful thinking, or even impossible; yet as evidence presented on these pages un... *Mushrooms and Mankind: The Impact of Mushrooms on Human Consciousness and Religion*
