Description :

PDF-25031 | In 1790, it was not a given that the young United States, bruised and healing from its struggle for independence and populated by fewer than 4 million inhabitants, would even survive, much less flourish. But the great adventure that came next—the exploration and settlement of the lands lying to the west and stretching to the Pacific Ocean—would build a nation where only a patchwork of eastern... *Out Where the West Begins, Volume 2: Creating and Civilizing the American West*
