ISBN : #0820348856 | Date : 2015-12-01

Description :

PDF-9319f | The Outcast Majority invites policymakers, practitioners, academics, students, and others to think about three commanding contemporary issues?war, development, and youth?in new ways. The starting point is the following irony: while African youth are demographically dominant, most see themselves as members of an outcast minority. The irony directly informs young people's lives in war-affected... *The Outcast Majority: War, Development, and Youth in Africa*
