Description :

PDF-658a9 | Who are we? How did the world become what it is today? What paths did humanity traverse along the way? Patterns in Prehistory, Fifth Edition, is a comprehensive and engaging survey of humanity's past three million years. It brings together theories and archaeological examples to pose questions about who we are and the means by which humanity evolved into what it is today. Ideal for introductory cou... *Patterns in Prehistory: Humankind's First Three Million Years, 5th Edition (Casebooks in Criticism)*
