Description :

PDF-55793 | Were they simply bystanders, victims of collateral damage who played a passive role in its history? Furthermore, how have they negotiated their position throughout various periods of Iraq's state-building processes? This book details a narrative of Iraq in the twentieth century and refashions the Assyrian experience as an integral part of Iraq's broader contemporary historiography. It is the first... *Reforging a Forgotten History: Iraq and the Assyrians in the Twentieth Century*
