Description :

PDF-abb65 | The Silk Road is iconic in world history; but what was it, exactly? It conjures up a hazy image of a caravan of camels laden with silk on a dusty desert track, reaching from China to Rome. The reality was different--and far more interesting. In *The Silk Road: A New History with Documents*, Valerie Hansen describes the remarkable archeological finds that revolutionized our understanding of these tra... *The Silk Road: A New History with Documents*
