Description :

PDF-7ca9a | Thucydides' classic work is a foundational text in the history of Western political thought. His narrative of the great war between Athens and Sparta in the fifth century BC is now seen as a highly sophisticated study of the nature of political power itself: its exercise and effects, its agents and victims, and the arguments through which it is defended and deployed. It is therefore increasingly r... *Thucydides: The War of the Peloponnesians and the Athenians (Cambridge Texts in the History of Political Thought)*
