Description :

PDF-4f253 | World War II had many superlatives, but none like Operation Torch--a series of simultaneous amphibious landings, audacious commando and paratroop assaults, and the Atlantic's biggest naval battle, fought across a two thousand mile span of coastline in French North Africa. The risk was enormous, the scale breathtaking, the preparations rushed, the training inadequate, and the ramifications profound... *Torch: North Africa and the Allied Path to Victory*
