Description :

PDF-9db80 | Journalist Jon Mooallem has watched his little daughter's world overflow with animals butterfly pajamas, appliquéd owls—while the actual world she's inheriting slides into a great storm of extinction. Half of all species could disappear by the end of the century, and scientists now concede that most of America's endangered animals will survive only if conservationists keep rigging the wor... *Wild Ones: A Sometimes Dismaying, Weirdly Reassuring Story About Looking at People Looking at Animals in America*
